<b>Health &amp; Safety Policy 2022</b>	

## Health & safety policy

The policy of our hotel **VRISSAKI BEACH HOTEL**, in Protaras, on Health and Safety issues is to perform our work as efficiently as possible, ensuring first and foremost the health, safety and well-being of all our employees, partners and guests.

In order to make this possible, our company is committed to:

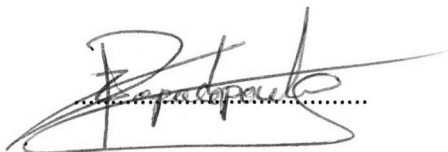

- provide a safe, healthy, and enjoyable work environment
- fully comply with all relevant laws and regulations of the Republic of Cyprus on Occupational Health and Safety
- Promote on an ongoing basis, all Occupational Health and Safety issues
- provide all the necessary resources to enable the Health and Safety policy to be implemented

The intentions and goals of our company as derived from our Health and Safety Policy include:

- The elimination of accidents at work and professional illnesses, as well as the improvement of facilities, methods and working conditions
- The continuous evaluation of hazards, through risk assessments in regards to all work procedures and equipment, always taking into consideration all vulnerable work groups and third parties
- Continuous information and training of staff on occupational hazards as well as preventive and protective measures for their reduction
- The implementation of technical measures and the provision of personal protective equipment, based on safety and quality standards, to prevent all hazards in our work environment.
- The cultivation of a Health and Safety consciousness in all structures of our company
- Establishing a risk management system and sharing of responsibilities at all levels of our company structure
- Defining safe working methods and training employees in their application
- No smoking in all enclosed areas of the hotel
- Reviewing the Health and Safety Policy annually or whenever conditions require so
